When can a Musketeer advance?

The Musketeer classes are a great and fun introduction to fencing, but eventually it will be time to move up to the next level! Wondering how to get there? Here's a checklist of what we look for to graduate our musketeers:

- 6 months as a musketeer
- Knowledge of and ability to demonstrate:
 - Advance
 - Retreat
 - Lunge
 - Advance lunge
 - Parry 4
 - Parry 6
 - 4 disengage
 - 6 disengage
 - Salute
- Compete in a minimum of 2 of the in-club [D'Artagnan Series](#) tournaments.

*Exceptions to these requirements may only be made at the discretion of Daniel Hondor, Olympia's Director.

What does the next level look like?

- 2-3 classes/week: Tu 5:00-6:30, Th 5:00-6:30, Sa 12:00-1:30
- Attending competitions
- Private lessons recommended

We're actively working with the parents to navigate the intricacies of competing nationally, parent workshops are available throughout the year, also please feel free to email at any time for advice!
